

SAYS

I want to create something new  
id like to find music that  
fits together well  
how can I change the results  
im getting  
I want my creation to sound  
good  
I want a melody which  
will go with the chord  
progression

Does

change suggested  
results

creates

Thinks

why is x piece suggested  
I want results quick

Feels

creative block  
explorative
